

Our McGuffey Student Council is sending some holiday cheer to the residents of Community Skilled Care Center. There are roughly 80 residents in the facility. Student Council members bought and signed the cards with a special message to each resident. Mrs. Pacurar's 4th grade class also added a holiday art sheet to each card and the cards are sealed with a candy cane for more holiday cheer!

Caring for our community is a special part of our Holiday Spirit at McGuffey!
