

# McGuffey - Start With Hello

## Monday, 9/26—Find Your Hello Style

Choose how you feel comfortable greeting people. It could be a wave, a high five or a handshake.

## Tuesday, 9/27—Make Staff Feel Welcome

Think of a way to brighten their day! It could be a principal, a teacher, an educational aide, a liaison, a secretary, a nurse, a custodian, a cafeteria worker or maybe a bus driver. Take a moment to make today better for an adult at McGuffey!

## Wednesday, 9/28—Wave Wednesday

Let's wave to each other today and let someone know you care! Whether it's another student or an adult, give a wave and make someone feel special.

## Thursday, 9/29—Look for the Lonely

Look for someone who seems alone. Say hello, ask how their day is, give them a high five or a wave. No one should feel alone, let them know you care!

## Friday, 9/30—Let Your Smile Shine

Smile at people today, in the halls, at lunch or recess, even on the bus. Flash your bright smile and let someone know you care.

*You can change someone's life and make a positive impact just by starting with a smile!*
