PK-4 News with Mrs. Redmond

Last month we celebrated Red Ribbon Week. Ask your child about the healthy choices they learned about in October!

This month our focus is on active listening. Students will learn to pay attention, provide gentle encouragement and paraphrasing. You can help them practice by asking what they learned today and repeating part of what they said back. You can then have them ask you about your day and have them repeat back what you said.

If you need my assistance, please feel free to contact me.

5-8 News with Mr. Middleton

Students in the 6-8 pod continue their SEL work in class on *Second Step*. Social Emotional Learning is all about acquiring and applying the knowledge, skills, and attitudes to develop healthy identities, manage emotions and achieve personal and collective goals, feel and show empathy for others, establish and maintain supportive relationships, and make responsible and caring decisions.

Students in the 6-8 pod are also working on NAVIANCE, engaging in lessons and assessments that are helping them prepare for college, work, and life.

Be sure to stop by and say hi at PK-8 Conferences, November 15 & 17 from 4:00pm-7:00pm!

World Kindness Day

November 13, 2022

On this day, participants attempt to make the world a better place by celebrating and promoting good deeds and pledging acts of kindness, either as individuals or as organizations. Below is a link to a video with more ideas for World Kindness Day.
