**INTENT TO WAIVE FORM
PHYSICAL EDUCATION WAIVER**

The State Senate of Ohio passed Senate Bill 311 into law on January 2007 that allows school districts to excuse students from the physical education requirement for graduation. If the physical education requirement is waived, students must take a ½ credit course to meet the graduation requirements.

The administration and the Board of Education of Warren City Schools has worked jointly on a policy that allows us to excuse students who have participated in **two years or two seasons** of interscholastic athletic competition, marching band, or cheerleading in lieu of the ½ credit physical education requirement. The student must **not** have any physical education credits on their high school transcript to take advantage of the PE Waiver.

PE waiver forms can be obtained in the Guidance Office. In order for your child to receive a waiver for physical education credit, the student must complete the following:

1. Have a coach/advisor sign the attached form at the completion of the season (**one season waives the student from ¼ credit of Physical Education**)
2. Students must participate in **2 seasons** to waive the PE requirement.
3. Return the signed and dated form to the Guidance Office.

Note: The Ohio Core Graduation Requirements requires participation for at least **two (2) full seasons** of an approved activity in order to waive the PE requirement. Participation in only **one (1) full season cannot** be combined with 0.25 credits of PE to meet the PE requirements for graduation.

I hereby understand the guidelines and my responsibilities in meeting the requirements for the Physical Education Waiver.
