OF EXCELLENCE

WARREN G. HARDING RENAISSANCE PROGRAM

Renaissance is an Education Foundation developed by the Josten Corporation in 1988 to help every K-12 school in America promote and achieve academic excellence — in effect, to create a “Renaissance” in Education. It is the first and only National education-focused program created to recognize and reward the academic achievement of students.

Students at Warren G. Harding have the opportunity to earn a Renaissance card each nine weeks with the privileges that each card brings. At the end of the school year Renaissance members are invited to celebrate their achievements with family and friends at the annual banquet.

The Renaissance program is different than being on the honor role. To be in the Renaissance program you must **fill out an application** each nine weeks stating that your G.P.A. is above a 3.2 **and** that none of your grades are below a “C.”
