

## School Health Services

Dear Parent/Guardian,

In partnership with Akron Children's Hospital, Health Heroes, Inc will be offering the Tdap & Meningitis vaccination clinics in Warren City Schools on **May 1<sup>st</sup> 2019** at the following buildings:

Jefferson PK-8  
Willard PK-8  
Lincoln PK-8  
McGuffey PK-8  
Warren G. Harding High School

These vaccinations are **REQUIRED** for school enrollment by the State of Ohio.

### **Who should get Tdap and/or Meningitis vaccinations?**

- All rising 7th graders (both Tdap & Meningitis vaccinations are required)
- All 12th graders (Meningitis vaccinations are required, 2nd dose)
- Any 8th - 12th students who did not receive these vaccinations in 7th grade

### **What does your child/children need to do to participate?**

- Parent consent form filled out COMPLETELY and signed (if student requires both, then he/she will need 1 form for each type vaccination)
- Return consent form(s) to your school prior to the due date of April 29, 2019.

It is **very important** that you return your consent form(s) to your student's school **no later than April 29, 2019**. This helps us provide sufficient staffing for our teams, as well as secure the vaccine for your student(s).

### **Who is Health Heroes, Inc.?**

At Health Heroes, we specialize in on-site vaccination clinics. Vaccines are provided at **NO COST** to students, parents, schools or local/state government. We bill both Medicaid and private insurance; however, we never bill students or parents for any out-of-pocket expenses or deductibles. Qualifying uninsured students can be given the vaccine, free of charge. Although student participation is voluntary, these vaccinations are required for school entry by your state.

If you have additional questions or concerns, please contact Health Heroes at 1-205-609-0268/[al@healthherousa.com](mailto:al@healthherousa.com). For further information you can also visit our website at [www.healthherousa.com](http://www.healthherousa.com).
