WARREN CITY SCHOOLS REPORT CARD
2018-19

District Overview

D District Grade

Districts and schools report information for the Ohio School Report Cards on specific marks of performance, called measures, within broad categories called components. They receive grades for up to ten measures and six components.

Prepared for Success

Whether training in a technical field or preparing for work or college, the Prepared for Success component looks at how well prepared Ohio's students are for all future opportunities.

F Component Grade

[View More Data]

Warren City Schools' improvement efforts continue to move the needle in many areas. These improvements have led to a decrease in the level of focused attention from State Support Team Region 5.

One of the primary focuses of the SST is to provide high levels of support to schools and districts with an overall grade of F. With Warren's overall performance at each school and at the district level, SST will provide services, but on a more limited basis.
Michelle Moore, M. Ed., pHCLE
Director of State Support Team Region 5
