

The WCS students, staff, parents, and greater community will operate from a single and focused plan. All decisions will be made through the lens of our mission and non-negotiable beliefs.

Our Mission:

The mission of the Warren City Schools is to create pathways of success for all students.

The mission will be driven by the following non-negotiable beliefs:

1. Primary goal of education in the Warren City School District is to provide high quality relevant instruction for all students to ensure success through the use of 21st century skills of collaboration, creativity, communication and critical thinking.
2. Every school community provides a positive environment to help foster a sense of belonging, safety, a feeling of self-worth and respect for all.
3. Focus of all staff is to address the whole child; academically, mentally, socially, emotionally and physically.
4. All students receive core curriculum instruction in the educational setting based on the needs of the child.
5. All instruction, curriculum, and assessment is culturally relevant
