

School Health Services

Dear Parent/Guardian,

In partnership with Akron Children's Hospital, Health Heroes, Inc will be offering the Tdap & Meningitis vaccination clinics in Warren City Schools on MAY 17, 2021. These vaccinations are **REQUIRED** for school enrollment by the State of Ohio.

Who should get Tdap and/or Meningitis vaccinations?

- All upcoming 7th graders (both Tdap & Meningitis vaccinations are required)
- All upcoming 12th graders (Meningitis vaccinations are required, 2nd dose)
- Any 8th - 12th grade students who have not yet received these vaccinations

What does your child/children need to do to participate?

- Parent consent form filled out **COMPLETELY** and signed (if student requires both, then he/she will need to mark the boxes on top of form for each type of vaccination)
- Consents Must have **All INSURANCE information filled out, including the Member ID**, if the child has insurance. ***If no insurance, please mark appropriate box.***
- Please check with your child's physician's office, if unsure if these Vaccines are needed.

It is very important that you return your consent form(s) to your student's school **no later than May 12, 2021**. This helps us secure the vaccine for your student(s).

Who is Health Heroes, Inc.?

At Health Heroes, we specialize in on-site vaccination clinics. Vaccines are provided at a NO Out- Of- Pocket expense to students. **We will bill both Medicaid and private insurance; however, we never bill students or parents for any out-of-pocket expenses or deductibles.** Qualifying uninsured students can be given the vaccine, free of charge. Although student participation is voluntary, these vaccinations are required for school entry by your state.

If you have additional questions or concerns, please contact Health Heroes 330 573-6864. For further information you can also visit our website at www.healthherousa.com.

Warmest regards,
