

WLPDC Individual Professional Development Plan: *Pre-approved Professional Development Providers*

1. Your WLPDC has created the following list of ***Pre-Approved Providers*** of professional development, which indicates a recognition by the WLPDC that these institutions and organizations support the continuing professional development of educators; consider the delivery of quality professional development as part of their mission; and continually seek to be responsive to the individual needs of educators.
2. Educators who seek professional development from providers on this official list are not required to gain prior approval of the provider from the WLPDC. **Educators should discuss with the WLPDC any providers who do not appear prior to engaging in professional growth activities** that they may wish to use for certificate/license renewal.
3. Educators who wish to recommend professional development providers for placement on this ***Approved List*** should do so through their WLPDC. The district WLPDC will review this ***Approved List*** periodically and will act to remove or add providers based upon recommendation, proven quality, and other criteria found in quality professional development.
4. The Professional Development Offerings from the Warren City School District under the coordination of the Office of the Associate Superintendent to meet the requirements of the WEA Collective Bargaining Agreement are eligible for CEU credit. However, the document given to you by this Department is *only* your proof of completion of *clock hours* and you must complete **Form D – Part 1** for conversion to CEU's which can only be granted by the WLPDC.

IT IS THE EDUCATOR'S RESPONSIBILITY TO EXIT A WORKSHOP WITH A DOCUMENT THAT WILL BE SUPPLIED TO THE WLPDC VERIFYING THAT A CERTAIN NUMBER OF CLOCK HOURS OF PARTICIPATION HAVE BEEN COMPLETED (Form D – Part 2 may be utilized for this purpose). A CONTACT PERSON WITH A PHONE NUMBER MUST ALSO BE PROVIDED TO THE WLPDC BY THE EDUCATOR ALONG WITH AN AGENDA.

These providers are pre-approved by the Committee. However, only the WLPDC can determine and grant the number of CEU's approved for attending workshops from these providers based upon the number of workshop contact hours.
