Dear Parent/Guardian:

Welcome back to the new 2020-2021 school year. I hope the start to the year has been positive.

The federal law, *Every Student Succeeds Act*, requires that any school district receiving Title I funds must notify parents/guardians of each student attending any school receiving Title I funds that they may request information about the professional qualifications of their child's classroom teacher(s). As a parent/guardian, you have the right to request any of the following information:

1. Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction. **Currently, 100% of Warren City School teachers meet this criteria.**
2. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; **Currently, 100% of Warren City School teachers meet State licensing/credential criteria.**
3. Whether the teacher is teaching in the field of discipline of the certification of the teacher; and **Currently, 100% of Warren City School teachers meet this criteria.**
4. Whether your child is provided services by paraprofessionals and, if so, their qualifications (teacher's aides). **Currently, 100% of Warren City School paraprofessionals meet State licensing/credential criteria.**

At this time, **100% of all Warren City Schools teachers and paraprofessionals meet State licensing/credential criteria.** To request any State qualification or licensing information for your child's teacher(s) listed in #1-4 above, please contact your child's building principal.

I hope your student continues to have a successful year of learning.

Sincerely,
